Company wishes to apply to LACNIC for registration services including an allocation of Internet Protocol (IP) address space and/or assignment of autonomous system numbers. This Agreement shall enter into force once it's accepted at the offices of LACNIC.

**2. REGISTRATION SERVICES.** Registration services provided by LACNIC to Company include, but are not limited to: allocation of IP address space, issuance of autonomous system numbers, inverse addressing on network blocks, maintenance of network records, and administration of IP address space. Company agrees that all requests for an allocation of IP address space and/or an assignment of autonomous system numbers, whether made under this Agreement or any renewals of this Agreement must be in compliance with LACNIC's Internet Protocol address space allocation and assignment guidelines as published on LACNIC's web site. If Company is an Internet Service Provider, Company agrees that IP addresses are to be used solely for their internal infrastructure or to further assign to its customer base for whom the Internet Service Provider is supplying internet access.

**3. TERM.** Upon acceptance by LACNIC this Agreement shall be effective for one year starting on the date the IP address space and/or the autonomous system numbers are initially electronically allocated and/or assigned by LACNIC to Company. This Agreement shall be renewable on the anniversary date of the initial allocation and/or assignment and each year thereafter, subject to the then applicable terms and conditions established by LACNIC, unless sooner terminated in accordance with the termination provisions of this Agreement.

**4. FEES AND PAYMENTS.** Company agrees to pay a registration fee to LACNIC as consideration for receiving an allocation of IP address space and/or an assignment of autonomous system numbers. Company agrees to pay the registration fee prior to receiving the requested allocation of IP address space and/or the assignment of autonomous system numbers. Company agrees to pay a renewal registration fee prior to the annual anniversary date on which this Agreement is to be renewed. Company agrees that if, for any reason, Company does not pay the renewal registration fee for IP address space and/or pay the renewal registration fee for autonomous system numbers this Agreement will not be renewed and the IP address space previously allocated and/or the autonomous system numbers previously assigned will be revoked by LACNIC.

**5. INTERNET PROTOCOL ADDRESS SPACE ALLOCATION AND ASSIGNMENT GUIDELINES and REVIEW OF COMPANY'S IP ADDRESS SPACE.** I) Company agrees, as a condition to submitting this Agreement, and if this Agreement is accepted by LACNIC, to be bound by the terms of LACNIC's Internet Protocol address space allocation and assignment guidelines which are incorporated herein by reference and made a part of this Agreement and any renewals hereof. Company agrees that LACNIC may, at any time, modify or amend its Internet Protocol address space allocation and assignment guidelines and that such modifications or amendments shall be binding upon the Company. II) Company agrees that LACNIC reserves the right to review, at any time, the utilization of previously allocated IP address space and/or assigned autonomous system numbers made to Company under this Agreement or under any renewals of this Agreement. address space and/or autonomous system numbers not being used for the purpose allocated and/or assigned.

**6. COOPERATION.** Company agrees to provide LACNIC with all information, assistance and cooperation which LACNIC requests for its review of Company's utilization of allocated IP address space and/or assigned autonomous system numbers. Company agrees that failure to provide LACNIC with all information, assistance and cooperation may result in the revocation of the current IP address space allocated and/or autonomous system numbers assigned or may adversely impact Company's future allocation of IP address space and/or assignment of autonomous system numbers.

**7. TERMINATION.** This Agreement or any renewal Agreement maybe terminated: I) by LACNIC if Company fails to pay the renewal annual registration fee when due or is in default of any other provision of this Agreement or of any renewal Agreement. Company agrees that in the event this Agreement or any renewed Agreement is, for any reason, terminated, the IP address space allocated and/or the autonomous system numbers assigned by LACNIC shall be revoked by LACNIC.

**8. SEVERABILITY.** The terms and provisions of this Agreement are severable. If any term or provision is declared invalid, it shall not affect the remaining terms or provisions which shall continue to be binding.
