## Napla -- Lista de operadores de NAP/IXP de la región

### About Napla

View this page in

English (USA)

To see the collection of prior postings to the list, visit the [Napla Archives](#).

### Using Napla

To post a message to all the list members, send email to [napla@lacnic.net](mailto:napla@lacnic.net).

You can subscribe to the list, or change your existing subscription, in the sections below.

### Subscribing to Napla

Subscribe to Napla by filling out the following form. You will be sent email requesting confirmation, to prevent others from gratuitously subscribing you. This is a private list, which means that the list of members is not available to non-members.

Your email address:

Your name (optional):

You may enter a privacy password below. This provides only mild security, but should prevent others from messing with your subscription. **Do not use a valuable password** as it will occasionally be emailed back to you in cleartext.

If you choose not to enter a password, one will be automatically generated for you, and it will be sent to you once you've confirmed your subscription. You can always request a mail-back of your password when you edit your personal options. Once a month, your password will be emailed to you as a reminder.

**Número de participantes na lista: 295**

**Tema de NAPLA 2009:  
Como crescer seu IXP.**
