ARTICLE 15:

Member Assemblies shall be summoned by means of circulars sent to members' postal or e-mail addresses thirty days in advance. When modifications to the Bylaws or regulations are submitted for the consideration of the Assembly, such proposed modifications must also be submitted to members fifteen days in advance. ARTICLE 19:

Assembly discussions shall be conducted in the spirit of constantly seeking consensual agreement.

In case voting becomes necessary, Founding Members shall be entitled to one vote; Active "A" Members shall be entitled to 1 to 5 votes, depending on the address space they have been assigned, such that those administrating the largest number of IP addresses have the highest number of votes.

This classification shall be made according to the following criteria:

- LEVEL 1: Active A Members that i) administer IPv4 addresses equivalent to a block equal to or smaller than a /19 that is part of the address space assigned to Latin America and managed by LACNIC, or ii) administer Ipv6 addresses, shall be entitled to one vote.
- LEVEL 2: Active A Members that administer IPv4 addresses equivalent to a block larger than a /19 and smaller than a /16 that is part of the address space assigned to Latin America and managed by LACNIC shall be entitled to two votes.
- LEVEL 3: Active A Members that administer IPv4 addresses equivalent to a block equal to or larger than a /16 and smaller than a /14 that is part of the address space assigned to Latin America and managed by LACNIC shall be entitled to three votes.
- LEVEL 4: Active A Members that administer IPv4 addresses equivalent to a block equal to or larger than a /14 and smaller than a /11 that is part of the address space assigned to Latin America and managed by LACNIC shall be entitled to four votes.
- LEVEL 5: Active A Members that administer IPv4 addresses equivalent to a block equal to or larger than a /11 that is part of the address space assigned to Latin America and managed by LACNIC shall be entitled to five votes.

Whenever technical advances require the use of new criteria or new terminology for assigning IP address space, the Board of Directors, with the vote of two thirds of its members, shall be

responsible for establishing the equivalences of the new address blocks with the five levels herein established, without modifying the spirit of assigning more votes to those members administering larger address spaces.

The votes of members that qualify for more than one category shall not be cumulative; these members shall only be entitled to the number of votes corresponding to the category with the highest number of votes.

CHAPTER V

BOARD OF DIRECTORS. ELECTORAL COMMITTEE AND FISCAL COMMISSION

ARTICLE 20:

LACNIC shall be managed and administered by a Board of Directors composed of seven members. The Board of Directors shall assign to these members the following positions: President, Vice President, Secretary, Deputy Secretary, Treasurer, Deputy Treasurer and Regular Member. Directors shall serve a three-year term of office, except in case of permanent vacancy as described in Article 21. Directors shall be eligible for re-election as long as they continue to meet eligibility criteria. Each year they shall be partially renewed in groups of two or three (as appropriate). LACNIC's Executive Director/CEO participates in Board meetings with rights equal to those of a Director, except for the right to vote.

Members of the Board of Directors are subject to the following incompatibilities:

1. Not more than two Directors may be domiciled in the same country. Should a candidate for a position on the Board of Directors have more than one domicile where one of these domiciles involves a presumed incompatibility, when analyzing the case, the candidate's usual country of residence, the country where the company or organization the candidate is part of or works for is established, and/or any other relevant data shall be considered;
2. Not more than one Director may have employment, consultancy or advisory relationships with the same Company or Organization and/or with one of its Related Companies, whether established in the same country or not.

In order to determine whether or not this incompatibility exists, the following criteria shall be considered: whether the relationship is in a paid or honorary capacity; the influence that the Company or Organization may exert in relation to the candidate's election and the background that makes the candidate eligible; the position held by the candidate within the Company or Organization; and the degree of influence that the Company or Organization may have over the individual once he/she occupies the position, or that the individual may have over the Director of said Company or Organization, or vice versa, for reasons of hierarchy or control.

When determining whether or not this incompatibility exists, membership of international or regional Internet organizations (ISOC, ICANN, etc.) and/or of organizations having no relation to the activities carried out by LACNIC (sports clubs, academic clubs, etc.) shall not be taken into consideration.

These incompatibilities shall be analyzed in accordance with the theory of reality, according to which material reality prevails over formalities.

Should any of the incompatibilities described in the paragraphs above occur once a Director is already in office, said Director shall resign his/her position or, if not, the matter shall be referred to the Electoral Commission which, in exercise of its faculties, shall determine whether or not

such incompatibility exists and, if so, shall remove the Director from his/her position, which shall remain vacant until the following election. Should the incompatibility occur simultaneously for one or more Directors, both shall resign or be removed from their positions simultaneously, as appropriate; in this case, both Directors may run in the following election.

Members of the Board of Directors shall act as individuals, not in representation of the member organizations to which they belong.

The seven above mentioned directors shall be elected according to the provisions of Articles 24 and 25. Each year, after the renewal of its members, the Board of Directors shall appoint the positions to be held by its members.

LACNIC will have a Fiscal Commission composed of three members. Members of the Fiscal Commission shall serve a three-year term of office, and one member shall be renewed each year. Members of the Fiscal Commission shall be eligible for reelection as long as they continue to meet eligibility criteria.

Members of the Fiscal Commission shall be subject to the following incompatibilities:

1. Not more than one member of the Fiscal Commission may be domiciled in the same country. Should a candidate for a position on the Fiscal Commission have more than one domicile where one of these domiciles involves a presumed incompatibility, when analyzing the case the candidate's usual country of residence, the country where the company or organization the candidate is part of or works for is established, and/or any other relevant data shall be considered;
2. Not more than one member of the Fiscal Commission may have employment, consultancy or advisory relationships with the same Company or Organization and/or with one of its Related Companies, whether established in the same country or not.

In order to determine whether or not this incompatibility exists, the following criteria shall be considered: whether the relationship is in a paid or honorary capacity; the influence that the Company or Organization may exert in relation to the candidate's election and the background that makes the candidate eligible; the position held by the candidate within the Company or Organization; and the degree of influence that the Company or Organization may have over the individual once he/she occupies the position, or that the individual may have over the Director of said Company or Organization, or vice versa, for reasons of hierarchy or control.

When determining whether or not this incompatibility exists, membership of international or regional Internet organizations (ISOC, ICANN, etc.) and/or of Organizations that have no relation to the activities carried out by LACNIC (sports clubs, academic clubs, etc.) shall not be taken into consideration.

These incompatibilities shall be analyzed in accordance with the theory of reality, according to which material reality prevails over formalities.

Should any of the incompatibilities described in the paragraphs above occur once a member of the Fiscal Commissions is already in office, said Director shall resign his/her position or, if not, the matter shall be referred to the Electoral Commission which, in exercise of its faculties, shall determine whether or not such incompatibility exists and, if so, shall remove the Director from his/her position, which shall remain vacant until the following election. Should the incompatibility occur simultaneously for one or more members of the Fiscal Commission, both shall resign or be removed from their positions simultaneously, as appropriate; in this case, both members may run in the following election.

**** Article modified at the Member Assemblies held on 24 April 2003, 31 May 2004, 29 June 2005, 29 May 2008, 28 May 2009 and 3 May 2016.***

ARTICLE 21:

Should for any reason an elective office (Member of the Board of Directors, Member of the Fiscal Commission or Member of the Electoral Commission) becomes permanently vacant, such vacancy shall be filled during the following election. The winning candidate shall serve for the remainder of the term for which the person who caused the permanent vacancy was elected and shall take office immediately after all stages of the electoral process have been completed.

The same procedure shall be used in case a winning candidate is unable to take office.

** Article modified at the Member Assemblies held on 24 April 2003, 6 May 2014 and 3 May 2016.*

ARTICLE 22:

Should the number of members of the Board of Directors, the Fiscal Commission, or the Electoral Commission fall below the absolute majority, the Board of Directors or the remaining members of the Board of Directors shall summon an Extraordinary Election within 30 days of the fact in order to complete the corresponding body. In the event of total vacancy of the Board of Directors, the Extraordinary Election shall be summoned by the Fiscal Commission, notwithstanding the responsibilities pertaining to resigning members of the Board of Directors. In both cases, the body that issues the summons shall have all the attributions inherent to holding the election.

This same Extraordinary Election procedure shall be used if a position on the Board of Directors is left permanently vacant more than three months before the beginning of the following election process,

If the Fiscal Commission or the Electoral Commission a) is reduced to two members and must decide on a matter on which these members disagree, thus creating a tie due to the body's lack of a president with the authority to break the tie; or b) is left vacant or without a majority of its members and must act or decide, yet there is no deadline set for summoning an Extraordinary Election, the vacant or reduced Fiscal or Electoral Commission shall be completed with the members of the remaining Commission, either Fiscal or Electoral (as appropriate). Those members of the remaining Commission that do not incur in any of the incompatibilities set forth in these Bylaws shall be given priority when completing a vacant or reduced Commission. Should more than one member of the remaining Commission not incur in any incompatibility, the new composition of the vacant or reduced Commission shall be decided by lot under the supervision of the President of the Board of Directors, and, in the case of the latter's incompatibility or impossibility, under the supervision of the person appointed by the Board of Directors.

** Article modified at the Member Assemblies held on 24 April 2003, 29 May 2008, 6 May 2014 and 3 May 2016.*

ARTICLE 23:

The Board of Directors shall meet at least once every three months, on the date and time established during their first annual meeting. The Board of Directors may also meet at such times as it is summoned by the President, at the request of the Fiscal Commission, or at the request of two members of the Board of Directors, in which case the meeting shall be held within fifteen days of the request. Meetings shall be summoned ten days in advance using the means and procedures established by the Board of Directors. Meetings shall be valid with the presence of the absolute majority of designated members. Decisions shall require the vote of the absolute majority of those present, except for those decisions which require a special majority under Articles 10 to 14 and 26 of the Bylaws, in which case at least the vote of the absolute majority plus one of the designated Members of the Board of Directors shall be required.

** Article modified at the Member Assemblies held on 24 April 2003, 29 May 2008 and 3 May 2016.*

- b. not more than one member of the Electoral Commission may have employment, consultancy or advisory relationships with the same Company or Organization and/or with one of its Related Companies established or not in the same country.

In order to determine whether or not this incompatibility exists, the following criteria shall be considered: whether the relationship is in a paid or honorary capacity; the influence that the Company or Organization may exert in relation to the candidate's election and to the background that make the candidate eligible; the position held by the candidate within the Company or Organization; and the degree of influence that the Company or Organization may have over the individual once he/she occupies the position, or that the individual may have over the Director of said Company or Organization, or vice versa, for reasons of hierarchy or control.

ARTICLE 32:

The Assembly may not decree the dissolution of LACNIC as long as there are a number of members willing to support it, and to ensure the regular functioning of its social organs. Should dissolution become effective, the liquidators will be designed, and these can be the Board itself, or any other members committee which the Assembly designates. The Fiscal Commission must oversee the liquidation operations of LACNIC. The recipient of these goods will be designated by the dissolution Assembly.
